PROGETTO ARCHITETTICO

Architectural drawing of a facade grid. The grid is composed of 10 vertical lines and 10 horizontal lines, creating a 9x9 grid of squares. In the center of each square, there is a small circle. At the intersection of the 4th vertical line and the 4th horizontal line, there is a decorative element resembling a stylized flower or a bird. This decorative element is repeated at the intersection of the 6th vertical line and the 6th horizontal line, and at the intersection of the 8th vertical line and the 8th horizontal line. A line points from the text 'SERIGRAFIE/ADESIVI SALVAGUARDIA VOLATILI' to the decorative element at the intersection of the 4th vertical line and the 4th horizontal line.
